Open Access

Retraction Note to: Gingival health in relation to clinical crown length: a case report

Alf Volchansky^{1*} and Peter Cleaton-Jones²

Retraction note

This article [1] has been retracted by the publisher because it was republished in the journal [2] due to an error during transfer of the journal between publishers in 2009. BioMed Central apologizes to the authors and readers for this error and for any inconvenience caused.
